

Corinne Crawford Memorial  
Crockett Road Race  
April 19, 2008

Presented by Cal Cycling  
USAC #2008-910

Course description:

The same as at the 2003 National Championships, including the brutal McEwen climb. Course Starts on the Franklin Canyon Road and descends down Cummings Skyway towards the town of Crockett. As you wind through Crockett on Carquinez Scenic drive, the monster of McEwen awaits you ominously. After the brutal climb, you are almost done as you climb a little more on Franklin Canyon. Laps are 10 miles.
