

Crockett Team Time Trial
April 4, 2009

Presented by Cal Cycling
USAC permit #2009-263

Course description:

Course begins at Franklin Canyon Rd and Cummings Skyway, proceeds downhill towards Alhambra Valley Road, with a turnaround at Dutra Road. Things start getting fun as you have a gradual rise back towards the start, but wait!, a quick right turn onto McEwen road and a more significant hill awaits. Those teams that make it to the top of the rise together, will be able to turnaround and zoom downhill, make the final right turn onto Franklin Canyon Rd and sprint to the finish on the final rise!
