

RED ROCK ROAD RACE

SATURDAY - MARCH 28, 2009

Red Rock is a grueling high intensity race with no chance for a break unless you're off the back. This course dealt out punishment in 2008, and it is prepared to hurt you again. Men's A will do two "out and backs" along Red rock Road for a total distance of 88 miles. Men's B and Women's A will do a full out and then a half "out and back" resulting in a 69 mile course. Men's C and Women's B will do one "out and back" for 44 miles. Registration will begin at 7:30 and will close 20 minutes before the start of each category.
